

MCI Delivers The Savings You Deserve And More

MCI's basic state-to-state rates are always lower than AT&T's.

And MCI provides everything you expect from a long distance leader:

- *State-of-the-art, worldwide network*
- *24-hour customer service*
- *24-hour operators*
- *Instant credit for wrong numbers*
- *No extra digits to dial*

Plus, MCI is the only long distance company that helps you earn AAdvantage® miles.

Your signature on this card authorizes AT&T to process your order and notify your local telephone company of your decision to switch to AT&T Dial-1 Long Distance Service. Dial-1 Service refers to the long distance service you use when you dial 1 + area code + number from your home telephone.

Only one long distance company may be designated for the telephone number listed on the front of this card. Your selection of AT&T will apply only to the telephone number listed on the front of this card.

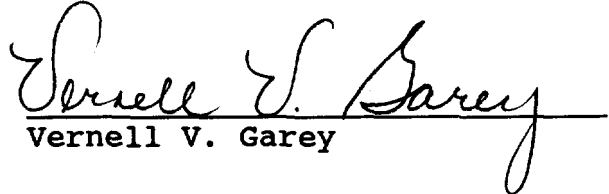

Your local telephone company may charge you a fee to switch your long distance service. If so, it will appear on a future telephone bill.
